

Train for a Pharmacy Technician Career AT SAC!

Time for a new career?

First 3 classes (4 units) are Tuition Free!!

Basic Certificate 20 units

This Basic Certificate option provides the minimum training needed to apply for your Board of Pharmacy license. This option primarily prepares you for drug store employment.

- Whether you want to work for a drug store, a hospital, or a home care pharmacy, Santa Ana College is ready to help you develop the skills you will need.
- As a student, you will benefit from the faculty's years of experience in both pharmacy practice and technician education.
- This is a 20-unit program with the remaining 16 units to be taken as a regular SAC student. If you have a high school diploma and are low income, you may qualify for Financial Aid.
- All classes are held at SAC.
